# Breakfast

Here at The Watering Can we care about the quality of our food and produce. We use local U.K based suppliers for our fruit and vegetables and are committed to using higher welfare U.K meat, that is traceable to the farm and animal, and we use sustainable or farmed fish.

# Breakfast

Hi there, thanks for joining us at The Watering. We hope that you have a great breakfast!

We currently operate with a very small kitchen team. So, whilst we would love to accommodate all requests, unfortunately at busy times we are not able to customise your breakfast by deviating from the menu.

Thank you for your patience and understanding.
